Kyle's Scouting Reflection

When I first started Scouts, I did not know how much fun I would have until I started going on outings. A few of my favorite outings were hiking the Ape Caves, the swimming Lock-In, the Mt. St Helens climb, Klondike, Blake Island, the 50 miler in Lake Chelan, and many day hikes. By going on all these outings, I learned how to get along with other scouts by working as a team cooking meals and putting up a tent.

I am thankful for all the merit badges as it taught me a lot of life skills such as personal management and sustainability. Scouting taught me the skills to be a good leader and a good citizen in my community.

Thank you to all the adults, scouts and ASM's that mentored me along the way.

My Favorite Outings

Philmont Scout Ranch (2021)

My favorite part of the trip was shooting black powder guns, working on the railroad, spar pole climbing, hiking with a donkey for two days and climbing Baldy Mountain elevation 12,441 feet.

Thank you, Mr. Caldas, Mr. Johnson, and to my parents for helping lead a successful trip. And to the seven Scouts for making memories that will last a lifetime.

World Scout Jamboree (2019)

Noah and I got to experience different cultures and tried food from all over the world. Some highlights of the trip were going to concerts with 50,000 Scouts, trading swag and meeting new friends.

Thank you, Noah, for being a great friend and going on this journey with me.

Kyle's Eagle Project

For my Eagle project I held a basketball camp at the Kirkland Boys and Girls Club, targeting elementary and middle school age students that were beginners with their basketball skills. I had four stations that students rotated through including passing and catching, Layups, Shooting and Dribbling. The students watched a five-minute video at each station and then practiced their basketball skills.

There were several scouts as well as many of my friends from football that gave up their Saturday ice baths at school just to help with my project.

Eugene Covington was a guest speaker who talked about his passion for basketball. The students loved him! We had a surprise visit from Mr. Quinn in a dinosaur costume during our free time. At the end of the basketball camp each student received a certificate, a prize, and a T-Shirt to take home.

I overcame many challenges along the way including the COVID-19 pandemic. I am very happy that I chose this Project because I was able to share my passion and love for Basketball with young students.

Thank you to the Scouts, friends, and adults that helped make this Project possible.
