My Scouting Experience

My favorite outing was always Summer Camp. The breadth of activities offered at Summer Camp, from kayaking to shooting expanded my interests.

In my last Summer Camp, where I was acting assistant senior patrol leader, it was rewarding to lead other scouts and make the whole outing run smoothly. I'd recommend everyone involved in scouting to really experience all of the activities and merit badges (my favorites being Small Boat Sailing, Shotgun Shooting, and Wilderness Survival) but don't forget about rank advancement.

Overall, my scouting experience has been amazing. I have been surrounded by great people and done so many great activities in the outdoors, while also learning a ton of leadership skills.

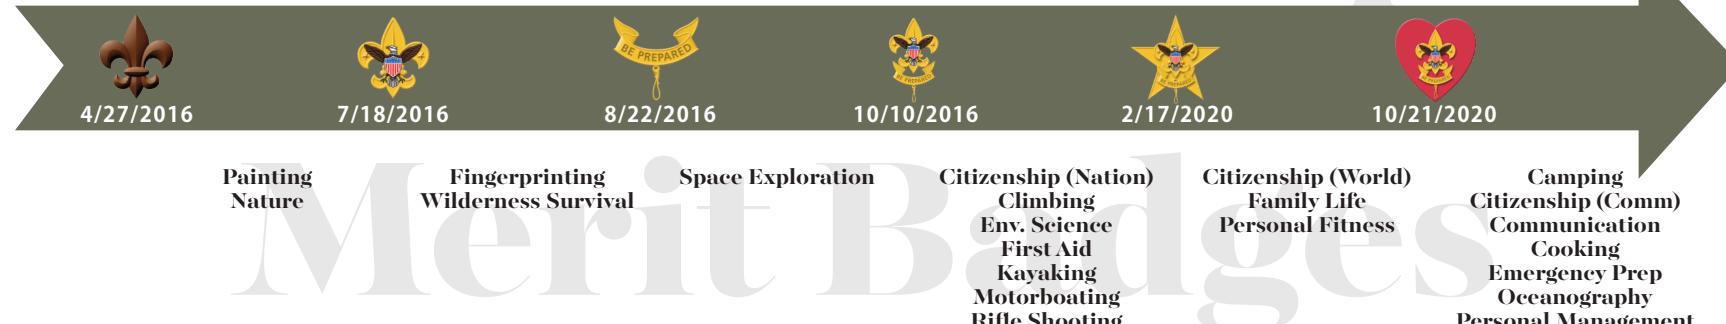

If you aspire to the rank of Eagle Scout, your 18th birthday can really creep up on you. Thank you to all of the adult leaders and scouts who have helped me along my path to Eagle. I would not have made it without your support.

Gavin's Eagle Project

My Eagle project was to assist in the BillionGraves project. We photographed graves at Abbey View Memorial Park and uploaded those pictures to their online database where the photos would be transcribed and become easily searched online to help users find where their ancestors were buried.

A team of 23 volunteers showed up on our project day. We used smart phones to take pictures of the graves, many graves requiring cleaning so the pictures were readable. The project required a great deal of planning and improvising but our crew of Scouts was able to clean and photograph over 5000 graves!

I'd really like to say how appreciative I am of all the people who came in to help and made it all possible. We were able to document the entire cemetery in a day with the help of Troop 570 and parent volunteers. Thanks!
