# Asiran's Eagle Project

The group that made it all happen. Thank you Troop 570 for helping me out

For my Eagle Project, I designed and installed two cubbies where students could store their personal items during school. I worked with Ms. Harroch-Hudry at the Les Lilas French Bilingual Community School in Kirkland and designed the project around the school's requirements of having a long-lasting storage space that fit within the allotted space.

We bought the most furnished plywood within the budget. With 12 volunteers and a total of 75+ hours worked, we were able to finish the cubbies in three days.

Special thanks to Mr. Calder, Mr. Griffaton, and Mr. Samdal for playing a key role in helping me complete my project. I will forever cherish your help and guidance.

Setting up

Drilling and safety talk

Still having fun

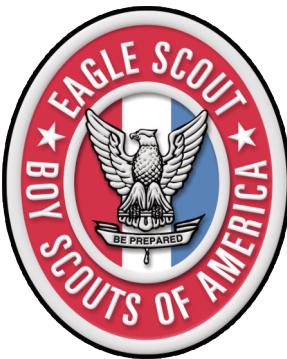

It's all starting to come together

Gavin, Asiran, Tom Calder and Arden worked to the very end. All those who helped create the project are immortalized on the back.

# Noah Griffaton

Earned the rank of Eagle Scout on May 20, 2021 with Bronze, Gold and Silver Eagle Palms (for achievements beyond those required for the Eagle Scout rank)

- Leadership:**  
Senior Patrol Leader (2021)  
Assistant Senior Patrol Leader (2018-2019)  
Order of the Arrow Representative (2018-2019)  
Troop Guide (2017-2018)  
Assistant Patrol Leader (2016-2017)  
Librarian (2016)  
Patrol Leader (2016)

# Scouting Highlights

## Backpacking and Hiking: Exploring the North Cascades

Backpacking and hiking have been one of my favorite activities with Troop 570, and a lot of fun with my scout friends. Asiran, Joey and I have done many of these together.

My best souvenir is the 50-Miler in the North Cascades (Thanks, Mr Samdal and Mr Schill!). My thru hike of the Enchantments and up Little Annapurna with my dad for the Hiking Merit Badge was also epic: 20 miles and 16,270 ft elevation difference in a day! Special Thanks to Mrs Chaing who's also joined most of these adventures.

## The Law Merit Badge and Bothell Youth Court: Citizen in my community

While working on the Law Merit, I needed to meet a lawyer and Mr Johnsen (Thank you!) introduced me to the Bothell prosecutor, who introduced me to the Bothell judge, who introduced me to the Bothell Youth Court.

Since then I've learned about restorative justice and served on more than 20 municipal court hearings as either judge, community advocate (prosecutor) and respondent advocate (defense attorney) to help my peers repair offenses.

## **World Scout Jamboree (2019): Leading scouts from Washington and Alaska**

In 2018, Kyle and I got selected to join a group of scouts from Washington and Alaska and join 47,000 other scouts from 161 countries for a couple weeks at the 2019 World Scout Jamboree.

Even though I was one of the youngest in the group, I got to lead one of the patrols. I enjoyed meeting scouts from around the world and learning about Scouting in other countries and as a global movement. Thanks to Mr Thompson for trusting me, and to Kyle for putting up with me for two weeks!

## **Eagle Scout Service Project (2020): Trailhead signage for the US Forest Service**

I wanted to help the US Forest Service, because I've enjoyed using the trails during many hikes and backpacking trips with the scouts and with my family. Also, because of Covid there have been many new users who don't know as much about safety or Leave No Trace.

The US Forest Service didn't have a design or instructions, so I designed a new installation that would be more weatherproof and durable than some existing ones. I created a flashing to cover the whole top of the installation, local businesses helped me with the materials, and the scouts helped me with the building. Special Thanks to Mr Samdal for reviewing my drawings and lending me his workspace!

## **Senior Patrol Leader (2021): Putting the outing in Scouting again**

I had already completed my Eagle requirements and could have been just "cruising", but Mr Nangle asked me if I could lead the troop. I got great encouragement from past SPLs and my goal was to get the troop out again after a long Covid hiatus.

We proceeded by steps, first with day outings only, then in-person troop meetings in parks for games and orienteering activities, and we finally had a great overnight Fall Kick-Off campout with most of the troop.

We ended up having a super active Fall as scouts were excited to get out and together again! Special Thanks to Arden Chaing, Rohan Vaidya, Jack Tribble and Mr Nangle for their mentorship.

## **Mount Baker Climb (2021): New heights for Troop 570**

I had joined The Mountaineers during Covid as I needed to go out with friends, and picked up a lot of mountaineering skills that I was eager to share with the scouts. I launched a mountaineering activity, where I designed fitness and technical training, researched climbs and routes, and taught glacier travel and crevasse rescue skills.

It took us 6 months to get ready then we climbed and submitted Mount Baker on July 3. Special Thanks to Mr Kohagen and Mr Rae for their advice, to my little brother Paul and my dad for helping me teach the skills, and to Carl Marrs and The Mountaineers for teaching me and for letting me use their facilities.

# Joseph Gilliam

My favorite outing during my scouting career must be the Deschutes River rafting trip. This outing was over 100 miles on the Deschutes River and was one of the most exciting weeks in my scouting career. Each day we had a new adventure or challenge to face as we went down the river. It is still one of my most memorable outings to this day.

Backpacking has brought me some great experiences throughout scouting, and I am grateful for all the trips I got to go on. The North Cascades 50 miler was one of my most memorable backpacking trips and was the longest I had ever been out on the trail. If it weren't for scouts, I'm not sure if I would have ever found a love for backpacking. I plan to continue hiking and using the skills scouting taught me.

# Joey's Eagle Project

For my Eagle project, I chose to help my local elementary school by building and providing them with two indoor benches. I worked with the Principal at Mark Twain Elementary School to put together a design for benches that would be placed in front of the main office for students, parents, and staff to use. My crew only consisted of Noah, Asiran, Mrs. Chaing, and Mr. Gilliam because I was very limited on the amount of people due to the pandemic.

This project was important to me because it allowed me to give back to the elementary school I attended. It also gave me good experience when it comes to planning, preparing and executing each step of the project.

I wouldn't have gotten this project done without the help of Mrs. Dearden, Mr. Samdal, my fellow scouts, and of course my Mom and Dad.
